## Get Ready for the Bugs!

Bug-Tek is an pet friendly, long lasting natural insecticide with a completely new formula. Bug-Tek can be used inside the house or on the boat. It is also safe to use around pets. The Bug-Tek formula breaks down quickly when in contact with living cells, but remains on inorganic surfaces, providing protection for up to 6 weeks. The formula is safe for the user and the environment, targeting many common cold-blooded insects, including ants, spiders, and bed bugs.
