The **Wallmount Bracket** pushes the boundaries of availability and **accessability** within your facility by utilizing open wall space for our 550mL sized hand soap.

The **Desktop Bracket** creates a secure station for users to store and use their hand soap with a **durable** and weighted steel design.

Implement sanitization stations with the Desktop and Wallmount Bracket in your industry.

# 4L FOAMING PUMP ACCESSORY

## FOAMING PUMP

PRODUCT CODE: 4L-FM

### Simple, yet Revolutionary

This new pump turns our 4L Refill Jugs into a commercial-sized hand washing station with maximized capacity and applications.

The pump itself is twistable and allows for the pump to be locked and unlocked when needed to prevent accidental discharge when not in use.

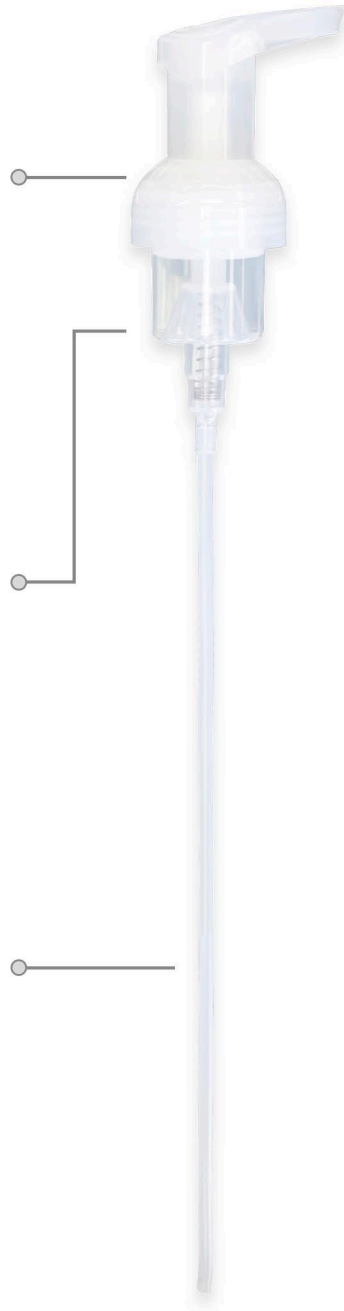

### Foaming Pump

Our premium pump mixes the right amount of air and hand soap formula together to create a rich and luxurious foaming solution.

Users hands will feel softer and smoother after use without the skin dryness, irritation, and discomfort.

### Lengthened Dip Tube

Using a clear and custom sized dip tube, each pump is designed to fit and be used within our 4L Refill Jug to reduce wasted leftover product.
